

INVESTMENT POLICY

The Fund invests in public and private fixed-income securities, primarily with maturities equal to or shorter than the time horizon, money market instruments, deposits, other UCITS and, to a lesser extent, in cash. Up to 40% may have a credit rating below BBB- or equivalent or no rating at the time of purchase. The Fund's time horizon date is 28 June 2030. A more comprehensive description of the investment policy is available in the key information document (PRIIPs KID) at sabadellassetmanagement.com. **WARNING:** This Fund may invest up to 40% in fixed income issues of low credit quality and therefore has a high credit risk. Fixed income investments will incur losses if interest rates rise and redemptions prior to maturity may result in losses to the investor.
