

INVESTMENT POLICY

The Fund invests mainly in debt of the Spanish state or in bonds issued by FTPymes that have the guarantee of the State denominated in euros. The financial duration of the portfolio does not exceed two years under normal conditions. The Fund guides the construction of its portfolio towards the achievement of the yield of short-term bonds, thus maintaining a marked defensive character. A more complete description of the investment policy can be found in the Key Investor Information Document (DfI) available at www.sabadellassetmanagement.com.
